HELLO! THANK YOU FOR CONSIDERING THE SPOTTED POPPY.

We are a small, women-owned, local studio florist. The Spotted Poppy aims to deliver modern, whimsical, stand-out designs through the use of novelty blooms. We believe that the use of florals elevates every occasion.

WE'VE PUT TOGETHER A PRICING GUIDE TO HELP YOU CHOOSE THE FLORALS BEST SUITED TO YOUR EVENT. THE FOLLOWING PRICES ARE BASE PRICES, AND MAY INCREASE DEPENDING ON THE COST OF BLOOMS REQUESTED.

# OPTION 1: BUD VASES

\$20+

Bud vases are an understated, but chic, and economical way to add pops of color to your space. We recommend using them grouped in odd numbers. They also look great interspersed with ikebana arrangements (see next page).

# OPTION 2: IKEBANA

\$50+

“Ikebana” is the Japanese approach to floral design. It focuses on minimalism and naturalism. These arrangements are made onsite in a small bowl with florals fixed into pins. They are a striking and contemporary choice for your tablescape. We recommend using more than 1 per table.

# OPTION 3: CENTERPIECES

SMALL \$120+

MEDIUM \$150+

LARGE \$200+

Centerpieces are a classic, eye-catching option. While beautiful on their own, these also look great paired with different sized centerpieces, as well as with ikebana or bud vases.

WE LOOK FORWARD TO HEARING FROM YOU!
